

2020 SC Partnership Conference

On behalf of the SC Association of Conservation Districts (SCACD), I would like to invite you to be a sponsor at our 2020 Partnership Conference. It will be held in Charleston, South Carolina on February 17-19, 2020 at the Charleston Marriott on Lockwood Drive. We are attentively working on bringing knowledgeable information to our Districts' leadership and our partners. Our partners include NRCS, SCDNR, SC Farm Bureau, SC Forestry Commission and others. The conference includes three days of sessions on conservation issues. This year we are primarily focusing on promoting SC agricultural products and their producers. There will be many opportunities for you to network and socialize with the group.

It would be a wonderful opportunity for your organization to be in front of an audience of conservation professionals with backgrounds varying from agriculture to urban natural resource management.

We invite you to be a partner with us at this conference.

In addition, the SC Soil and Water Society will have a conference from 11:30-2:30 p.m. on February 17, 2020 at the same location. I would encourage you to arrive in time to interact with this audience of technical professionals.
