

South Carolina Conservation Partnership Conference
CHARLESTON MARRIOTT
170 Lockwood Boulevard, Charleston, South Carolina 29403
Monday, February 17 - Wednesday, February 19, 2020

It's time again for our important Partnership Conference dealing with issues for ALL Districts. The SCACD Board is asking all District Commissioners, Associate Commissioners, Chaplains, and Staff to attend. If your district doesn't have the funding to send your employee to the Partnership Conference, we would like to help by paying a portion of their fees. Let us know what we can do to help your district by sending SCACD a letter stating why your district needs assistance and we will review the letter, and several will be chosen.

Kenny Mullis
SCACD President
