Selection Guidelines

- Past award winners may not re-enter for a period of **five (5) years** after receiving an award. Commissioners are not eligible for Teacher of the Year Awards.
- **Nomination forms must be postmarked no later than Friday, January 10, 2020 to be considered.**
- If, in the judgment of the awards committee, there is no nomination at hand that meets the criteria for an SCACD award, no award will be given.
- Videos (4 minutes) and PowerPoint presentations will be accepted. Electronic *files* will be accepted (newsletters, scanned letters of recommendation, photo files, Word documents etc.). If submitting a nomination electronically, please put uncommon files into Adobe PDF format before sending (e.g. Publisher). Please email your completed nomination to Tina Blum (2scacd@gmail.com) or send hard copy to Tina Blum, P.O. Box 2584, Lexington SC 29071.

Guidelines for each award must be strictly adhered to in order to be considered for the award.

You MUST include the "cover sheet" with each nomination:

- Award Category
- Nominee's Name
- Nominated By
- Date Submitted

Awards Judging Committee:

The Awards Judging Committee will be comprised of members of the Awards Committee, representing each of the Conservation Partners, plus selected members of the SCACD Executive Committee.

Award Committee Members

Diane Edwins, lauralfarms@gmail.com or the Berkeley SWCD Office

2019 Outstanding Conservation District Award

The purpose of the Outstanding Conservation District Awards is to provide recognition and incentive to the State's Conservation Districts to promote among landowners a realization of their stewardship of our natural resources. The award recognizes outstanding diverse conservation district programs.

What are your District's major accomplishments in land application conservation, or ag/tech? these can include projects completes, current, and ongoing up to but no longer than past 3 years (examples – Soil Sampling, 319 Grants, RC&D Projects, etc.).

Explain how your District demonstrates leadership for soil and water conservation.

List educational programs, outreach, and continuing education provided for commissioners, staff, and constituents. List any special programs that are unique to your District.

How does your District communicate with the citizens within your area? (Media, local legislative activities, affiliate membership programs, etc.)

Send completed application including examples/photos (no more than 5 pages) along with supporting documents explaining clearly, why your Soil & Water Conservation District is an Outstanding District.
