

2022 SC Partnership Conference

On behalf of the SC Association of Conservation Districts (SCACD), I would like to invite you to be a sponsor at our 2022 Partnership Conference. It will be held in Charleston, South Carolina on February 21-23, 2022, at the Charleston Marriott. We are attentively working on bringing knowledgeable information to our Districts' leadership and our partners. Our partners include NRCS, SCDNR, SC Farm Bureau, SC Forestry Commission, and others. The conference includes two days of sessions on conservation issues. There will be many opportunities for you to network and socialize with the group.

It would be a wonderful opportunity for your organization to be in front of an audience of conservation professionals with backgrounds varying from agriculture to urban natural resource management.

We invite you to be a partner with us at this conference.

In addition, the SC Soil and Water Society will have a conference from 10:00 a.m.-1:00 p.m. on Monday, February 21, 2022. I would encourage you to arrive in time to interact with this audience of technical professionals.
